

# TK Parent Education Night!

## Welcome to the Transitional Kindergarten (TK) Program...

We are pleased to invite you to come learn about your child's development and the importance of the TK school year. We will share research data on how young children learn and the importance of honoring natural development. Parents will learn about how the program is structured and what they can do in the home to help enrich their child's early childhood development. There will be an opportunity for a question and answer session at the end of the presentation. Looking forward to seeing you all!
